

Byram Shubert Library Update • March 13, 2009

The Byram Shubert Library construction team is working closely with the Town of Greenwich to complete all final inspections. The Library will open just as soon as all final Town approvals are received.

A notice with specific Dedication Ceremony details will be distributed soon.

The Byram Shubert Library's collection features current and popular books, music and films. The open floor plan offers separate spaces for study, reading (right) and computer use (left).

The Children's Area (left) features its own dedicated computers. The Young Adult Area (right) offers both graphic novels and classics, in addition to its own computers.
