Ever wonder what the most popular meal is in the café? It’s a BLAST! A wrap sandwich made with bacon, lettuce, avocado, swiss, and tomato.
No matter where life took you after graduation, it’s always fun to look back and reflect. The Library has Greenwich High School yearbooks dating back to 1939.

There are 18 employees who have worked at the Library for more than 25 years and eighty-five who have been here more than 10 years.

We have books in seven languages at the Library: Japanese, German, French, Italian, Spanish, Chinese, and English. There really is something for everyone!
The book in our system that has circulated the most times ever is *Henry and Mudge and the Forever Sea* (225 times).

The Library has more than fifty 1,000 piece puzzles providing hours of pleasure and challenge to patrons at the ever popular puzzle table.

The number of miles of shelving at all three branches is 5.2 miles! Almost the length of the Boston Post Road from Stamford to the NY border. One staff member said she walks up to two miles a day while working!
The Library’s Oral History Project
has a collection of 970 interviews
with people who have helped to
make or witnessed the history of
Greenwich from 1890 to the
present. The most popular book is
*Tod’s Point*. Narrators describe life
at the Point when it was owned
by J. Kennedy Tod including how
the staff at the mansion worked
to free a skunk which had gotten
its head stuck in a mayonnaise jar,
Mr. Tod riding a horse into the
dining room, and much more.

The Byram Shubert Branch Library
has held a used book and media
sale twice a year for thirteen years.
With an average of 30,000 books
per sale, they estimate that over
780,000 books have been sold.
A volunteer once found an envelope
with $1,000 inside a book.

The Cos Cob Branch Library
buried a time capsule but
you’ll have to wait until 2030,
its 100th anniversary,
to see what’s inside!
2017-2018 Highlights

• A new five-year Strategic Plan titled *Greenwich Library Renewed* was developed with input from staff, Trustees, community partners, and the Friends, to guide our ongoing efforts in five key areas: Collections; Lifelong Learning and Enrichment; Service; Space; and Community Connections.

• A Master Plan for the Main Library that reflects the changing needs of the community with a focus on educational and cultural programming was approved by the Board of Trustees. A capital campaign committee was formed to raise funds to support the project and a Cos Cob Facilities Committee was established to investigate space issues at the Cos Cob Branch Library.

• Greenwich Library’s AuthorsLive series this year featured appearances by a number of notable leaders in their fields such as Walter Isaacson, Ray Dalio, David Miliband, and Mark Bittman.

• The Flinn Gallery presented six remarkable exhibits representing a diverse range of local, national, and international artwork, and music lovers were entertained by the Musicians from Marlboro and jazz great John Pizzarelli among others.

• *News of the World* by Paulette Jiles was chosen as the 2017 Greenwich Reads Together selection. More than 3,900 Greenwich residents participated in 40 programs and events related to the topic of the book. *Code Girls* by Liza Mundy is the 2018 selection.

• Greenwich Library launched *FocusOn*, a program designed to explore a single topic in depth leveraging books and materials with events, lectures, and hands-on experiences. The 2017 *FocusOn* topic was *Architecture* and in 2018 *Food*.

• In December, all eyes were focused on *The Last Jedi*. Children, teens, and adults celebrated the latest Star Wars film with a variety of programs, book displays, and a special green screen photo memento that put families in a Star Wars scene.

• In January, “golfers” of all ages played a round of mini golf in the Main Library, becoming better acquainted with areas of the building they may not often visit. And in March, the Library honored former Trustee and long-time supporter of the Library, Larry Ricciardi, at its prestigious Peterson Business Award Dinner.

• The Byram Shubert Branch Library’s outreach this year to bilingual parents, whose children attend the New Lebanon or Hamilton Avenue schools, resulted in many new Library card holders.

• The Library continued its important work promoting early literacy through visits by Head Start preschoolers and children from the YWCA’s Early Learning Center. In a major new initiative, all first graders visited the Library for a tour and to receive a Library card.

Sources of Funding

Greenwich Library has a long history of a public-private partnership with the Town of Greenwich. The annual operating budget is funded by the Town of Greenwich while the Board of Trustees Development Office and the Friends of Greenwich Library raise private funds to support Library programs and initiatives. Additional program funding comes from the Friends of Byram Shubert Library and the Friends of Cos Cob Library.

A long standing private endowment comes from the Clementine L. Peterson Foundation. The Foundation was established under the will of Clementine L. Peterson in memory of her son, Jonathan, and her husband, J. Whitney Peterson. Peterson Foundation Trustees exclusively govern the investment plan and distribution of funds. The annual distribution is used for operating and staffing costs of the Peterson wing as well as for enhancing business and music collections and services.
Thank you for your continued patronage and support of Greenwich Library.
