

Getting Started with LinkedIn Learning

You will need your Greenwich Library card number and PIN

Setup Basics:

1. Go to the Greenwich Library website to begin <https://www.greenwichlibrary.org/digital-library/>
2. Select LinkedIn Learning access under the Digital Learning link and click 'Get Started'
3. When prompted enter your library card and pin

Mobile Device Install:

1. **Install the free LinkedIn Learning app** from the Apple App store (iPhone/iPad) or Google Play store (Samsung, Android Devices).
2. **Select Sign in**
3. **Select [Sign in with your library card](#) hyperlink**
4. **Add greenwichlibrary** as your Library ID to the end of www.linkedin.com/learning-login/go/
5. **Select "Continue"**
6. **Enter your library card number** (no spaces, typically 14 digits beginning in 21117)
7. **Enter your Library Card PIN** (4-digit number) and press "continue"

Browsing & Learning:

1. **To locate a specific subject**, use search field to search skills, subjects or software.
2. **To browse**, click the Browse menu to the left of the search field and look at the lists of popular and featured categories. Tap on whatever interests you.
3. Once you find a program of interest, click on the title and begin learning!.
4. To save a program, click the bookmark in the upper right corner of the program OR select the + to add it to a collection of similar programs. Collections are folders to organize your learning.
5. When watching a course, select the upper left contents tab to see the agenda for that program.
6. Want to master a skill? Select Learning Path in your search results to follow a predetermined outline of beginner to more advanced programs and earn a certificate!
